# Benefits to Stakeholders

## FOR PARENTS

- Keep parents updated on day-to-day activities happening at school.
- Regular update on scholastic and co-curricular performance of their ward.
- Access to news, circulars, homework and remarks from teachers.
- Online fee payment relieves from standing in queues at school or banks for fee payment.
- Communication with teachers and school management.
- Notifications and Alerts for important activities like News, Circulars, homework, birthday greetings, attendance etc.
- Easy access to school website and school facebook link.

## FOR TEACHERS

- Anywhere anytime access to student records.
- Attendance can be marked for the class.
- Marks and remarks entry through app makes work easy and fast.
- Access to News and Circulars. Home work can be easily uploaded.
- Quick and effective communication with parents.
- Updated record of personal profile, attendance and leaves is present on app.
- Salary Slip can be downloaded from login.
- Discussion board is present which allow teachers to communicate with each other.

## FOR ADMIN

- Gets information regarding fee collection, outstanding and related MIS reports.
- Academic Summary–Enquiries, Prospectus Sale, Registrations, Admissions, TCs and Write Offs.
- Monitor the performance of students as well as teachers through exclusive reports.
- Result Analysis–Class Wise and Teacher Wise
- No redundancy of work/data entry with centralized database system.
- By using latest technologies like Payment Gateway, notifications and alerts make your school a Techno Savvy School.
